Civility requires a person to respect other people's opinions and beliefs even if he or she strongly disagrees. It is finding a common ground for dialogue with others. It is being patient, graceful, and having a strong character. That's why we say "Character Counts" in Town of Loxahatchee Groves. Civility is practiced at all Town meetings.

All witnesses testifying will be "sworn" prior to their testimony. However, the public is permitted to comment, without being sworn. Unsworn comment will be given its appropriate weight by the Town Council.

Appeal of Decision: If a person decides to appeal any decision made by the Town Council with respect to any matter considered at this meeting, he or she will need a record of the proceeding, and for that purpose, may need to ensure that a verbatim record of the proceeding is made, which record includes any testimony and evidence upon which the appeal will be based.

DATE: May 5, 2020
SUBJECT: First Reading of Proposed Procurement Code Ordinance 2020-02

Background:

The Town's procurement code was originally adopted through Ordinance 2008-09 and, despite numerous proposed updates over the years, has not been updated. The Town attorney, staff and FAAC have worked on revisions to clarify and simplify the procurement process as reflected in the proposed revised ordinance. This ordinance was initially presented to Council for input in December and is returning to Council for first reading with slight revisions. It is important to note that the update procurement code increases the Town Manager's spending authority delegated by the Council from \$10,000 to \$25,000.

Recommendations:

Staff seeks a Council motion to approve Ordinance 2020-02 updating the Town's procurement code.

ORDINANCE NO. 2020-02

AN ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF LOXAHATCHEE GROVES, FLORIDA, AMENDING ITS CODE OF ORDINANCES BY REPEALING CHAPTER 2 “ADMINISTRATION, ARTICLE V “PROCUREMENT” AND ENACTING A NEW ARTICLE V “PROCUREMENT” REGARDING PROCUREMENT REQUIREMENTS; PROVIDING FOR CONFLICT, SEVERABILITY, CODIFICATION AND AN EFFECTIVE DATE.

WHEREAS, the Town Council believes it is necessary to modify its current regulations for the purchasing of goods and services; and,

WHEREAS, the procurement code is codified in Chapter 2, Article V of the Town Code of Ordinances; and,

WHEREAS, the Town Council has determined that the enactment of this ordinance is for a proper municipal purpose and in the best interests of the residents of the Town.

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF LOXAHATCHEE GROVES, FLORIDA, THAT:

Section 1. The foregoing “Whereas” clauses are hereby ratified and confirmed as being true and correct and incorporated herein by this reference.

Section 2. The Town of Loxahatchee Groves hereby repeals in its entirety Chapter 2 “Administration”, Article V “Procurement” and enacts the following Article V “Procurement” to read as follows:

ARTICLE V. PROCUREMENT

Sec. 2-132. Applicability.

This article applies to the acquisitions of property, goods and services by the town after _____, 2020, as provided for in this article. The town manager may make minor changes to the purchasing policy; however, any substantive change shall require approval by the town council.

Sec. 2-133. Competitive selection.

- (a) *Sealed competitive method.* Acquisitions of or contract for non-real property, goods or services where the expenditure by the town (including expenditures during renewal periods, but no expenditures relating to change orders) is estimated to be \$25,000.00 or greater shall be subject to a sealed competitive method, unless the town utilizes one of the methods that is exempt from the sealed competitive method or from obtaining quotes, as provided in this article or the purchasing policy.

All bids, proposals or responses must be sealed. No faxed or emailed bids, proposals or responses shall be accepted.
 - (4) *Town's reservation of rights.* The town may utilize a sealed competitive method for any acquisition that the town deems appropriate regardless of the estimated cost of the acquisition. In all competitive selection purchases, the town reserves the following rights:
 - a. Rejection of bids, proposals or other responses. If the town manager/town council determines that it is in the best interests of the town to do so, the town manager/town council may reject any or all bids, proposals or other responses requested in whole or in part. Bids, proposals or other responses requested that are submitted after the due date and time will be disqualified from further consideration.
 - b. Waiver of irregularities. The town manager/town council shall have the authority to waive all nonmaterial irregularities on any and all bids, proposals or other responses requested. Nonmaterial irregularities are those irregularities which do not substantially affect price and/or competition.
 - c. A request for bid, RFP, ITN or other competitive selection procedure utilized by the town may be canceled, in whole or in part, by the town manager/town council when it is in the best interests of the town.

155 F Road Loxahatchee Groves, FL 33470

TO: Mayor and Councilmembers

FROM: Desiree Rice

VIA: James Titcomb, Town Manager

DATE: May 5, 2020

SUBJECT: Purchases in Accordance with Ordinance 2008-09 for Labor Finders, United Rentals, and Palmdale Oil

Background:

Town of Loxahatchee Groves Ordinance 2008-09 requires Council approval of any vendor whose payment amount exceeds \$10,000.00 either in one invoice or a series of invoices. The actual and anticipated year to date spending with the following vendors exceeds the \$10,000 threshold:

Vendor	Payments thru 4/14/2020	Estimated thru September	Total Estimated Annual 2019-2020
Labor Finders *	\$9,596.77	\$20,403.23	\$ 30,000.00
United Rentals *	\$ 50,643.03	\$ 34,356.97	\$ 85,000.00
Palmdale Oil	\$10,882.44	\$ 14,117.56	\$ 25,000.00

These spending arrangements for the above vendors were originally approved under LGWCD purchasing policy and were also approved by Town Council under best interest provisions for last fiscal year (FY 2019). However, Council approval as best interest continues to be required for FY 2020 as the anticipated total expenditures with each vendor exceeds \$10,000.

* Labor Finders and United Rentals are essential to the road rock program providing the certified MOT flagging staff for traffic safety and rental of water truck and message board. These items were included in approvals earlier this year in conjunction with specific road rock projects but without the specific dollar amounts shown above. *(The rental estimates are anticipated to be reduced because separate agenda items recommend purchase of the message board as well as the water truck thereby eliminating United Rental costs for the future if purchases approved).*

Recommendations: Staff recommends that Council:

1. Ratify purchases and payments year to date for Labor Finders, United Rentals, and Palmdale Oil.
2. Authorize purchases and payments as necessary for Labor Finders, United Rentals, and Palmdale Oil through the remainder of the fiscal year ending September 30, 2020.
3. Authorize staff to work with attorney to execute any necessary master agreements with Labor Finders, United Rentals, and Palmdale Oil to more formally document the approved terms and unit pricing.

Agenda Item # 7

TO: Town Council of Town of Loxahatchee Groves
FROM: Larry A. Peters, P.E. Director of Public Works
VIA: James Titcomb, Town Manager
SUBJECT: 4000 Gallon Water Truck

Background:

The Town's has 42 Miles of Dirt Roads. The Town's Public Works Crew", is responsible for maintaining these dirt roads. Recently we have experienced "Drought" conditions, and all dirt roads require "Watering" to keep the dust down. The Town is currently renting a water truck at \$4,000.00 each month. In addition to watering for dust control, the water truck is used to assist in watering road base material, for proper moisture content, during the compaction process.

Our Town mechanics, along with United Rental mechanics, have modified the existing rental truck to function efficiently, and although we are approaching the wet season, and might not need a water truck year around, we have been offered a reasonable purchase agreement, for this 2014 vehicle with 10,410 miles.

Please see the attached United Rentals Equipment Sale Quote # 177836211, along with quotes from two (2) additional quotes from companies for comparable equipment.

Recommendations:

Staff seeks Councils approval to execute a purchase order for the purchase of a water truck.

Staff recommends a purchase order be written to United Rentals, in the amount \$76,500.00, payable at \$6,375.00 per month, for twelve months, for the purchase of a 4000-4999 Gal. Model M2 106 Water Truck, United Rental Equipment No. 10283725, in accordance with Quote # 177836211.

Agenda Item # 8

TO: Town Council of Town of Loxahatchee Groves
FROM: Larry A. Peters, P.E. Director of Public Works
VIA: James Titcomb, Town Manager
SUBJECT: Road Maintainer

Background:

The Town's has 42 Miles of Dirt Roads. The Town's Public Works Crew maintains these dirt roadways by replenishing base and topping as needed, and currently grading the major dirt roads with a leased Grader on Monday, Wednesday, and on Friday as needed. The remaining minor dirt roads are graded on an approved schedule, and or as needed, using a small tractor and "Box-Blade".

Our Major dirt roads have been abused with heavy truck traffic, and other vehicles traveling at very high speed, causing "Washboarding".

Local Towns have found a solution to repairing "washbording" by, continually adding topping to the dirt roadways and using a new devise for grading.

The devise is a "Sled", called a "Road Maintainer", that is pulled behind a small tractor, this device could be very effective in assisting the Town's Public Works Team to maintain our dirt roadways.

Please see the attached quote no. 0141828, article on "washbording", and documentation on the "312 Road Maintainer".

Recommendations:

Staff seeks Councils approval to execute a purchase order for the purchase and shipment of a Bonnell 312 Perfect Road Maintainer devise (Sled).

Staff recommends a purchase order be written to Bonnell Industries, Inc., in the amount of \$27,583.00, for the purchase and freight, for a Model 312 Road Maintainer in accordance with quote no. 0141828.

Corrugation or Washboarding

Corrugation: This problem, often called washboarding, can bring more complaints than any other. It is very annoying to motorists and when it becomes severe it can lead to loss of a vehicle's control. Figure 3 shows a typically corrugated gravel road. There are three primary causes: the driving habits of individuals, lack of moisture, and poor quality gravel. Driving habits are clearly evident when washboarding is present at intersections, going up or down steep hills, leading into or out of sharp curves, and sometimes even near driveways. In all these places motorists tend to accelerate hard or break aggressively. (1,2,3,4). Lack of moisture will accelerate washboarding and prolonged dry weather can aggregate the problem. This is because the crust that forms on the surface of good gravel road will tend to loosen allowing fines to be air born under traffic action which leaves stone and sand-sized particles to "float" and the material then can easily align itself into a washboarding pattern. The aforementioned causes are out of the control of the operator. The third primary cause – the quality of the gravel – is controlled by the agency's staff and therefore needs more attention. Good gravel must have the proper combination of stone, sand, and fines (Passing 200 sieve). The stone should be of the crushed type and the fines must have the binding characteristics, technically called plasticity. Materials must conform to specifications before it is used. With the best of maintenance, washboarding can never be eliminated. However, the key to reducing it is to obtain quality gravel with good binding property. Controlling speed can also reduce the potential for washboarding.
